

OUR WAY, AND NO OTHER

The detail photo shows the different appearance of the textile mesh and the PVC insulation.

A LÜBKE & DRILLER STRENGTH: OUR COLOURED SETS.

Any colour of ceiling cap can be combined in conjunction with the cable colour. Please choose a lampshade from one of our various options. You can choose your lampshade in any desired colour and shape for instance square, ellipse or round / cylinder.¹⁾ The length of the cables can be freely selected.²⁾

¹⁾ A E27 plastic socket is used

²⁾ For both versions the VDE-harmonized cable type H03VV-F 3 G 0,75 mm² is used, available in the colours blue, brown and green / yellow
